

S.151193 Oil Pressure Switch

Part No: S.151193

Price: £34.72 (exc VAT) | £41.66 (inc VAT)

Specifications

S.151193 Oil Pressure Switch

Pressure sensors monitor fluid pressure, detecting abnormal levels to prevent equipment damage and accidents, ensuring a safe working environment.

Optimal Performance: Pressure sensors contribute to efficient operation by maintaining ideal pressure levels, reducing energy waste, and extending machinery lifespan.

Pressure sensors detect potential issues early, enabling proactive maintenance, minimizing downtime, and reducing repair costs.

OEM: RE167207
