

S.165274 ISOBUS Socket Active TQPL Black

Part No: S.165274

Price: £138.92 (exc VAT) | £166.70 (inc VAT)

Specifications

S.165274 ISOBUS Socket Active TQPL Black

From the Erich Jaeger first class range of ISOBUS sockets, also known as IBBC's (ISOBUS Breakaway Connectors).

The sockets are injection moulded and have a quick release locking clamp to ensure a waterproof seal when not in use.

They are very easy to use and adhere to the relevant ISO standards.
