Part No: SA94

Price: £280.95 (exc VAT) | £337.14 (inc VAT)

Specifications

SA94 Retractable Air Hose Reel 15m

- Controlled rewind - returns the air hose at a safe speed.
- Auto-stop - allows hose to be extended and positioned at any length.
- Self layering system - moves the hose from side to side on the drum allowing for tangle-free operation.
- Solid brass internal spindle - provides added strength and durability.
- Swivel mounted wall bracket - giving more versatility when mounting to walls or ceilings.
