Specifications

SCAGLOGAUNG Gardener's Gauntlets - 40cm (16") Large

Scan Gardener's Gauntlets are ideal for working in nettles, brambles and rose bushes, and for general garden work.

They are made from puncture-resistant cow split leather with Kevlar stitching.

The long length of 40cm protects wrists and forearms from stinging and prickly plants.

One-piece back for extra strength and fully lined for comfort.

Size: L (9)

Conform to EN 388:2016 and EN ISO 21420.
