Specifications

SG115E Angle Grinder Ø115mm 750W/230V

- Anti-snap - powerful 750w motor ensures smooth grinding and cutting application through the toughest of materials.
- Disc change - features heavy-duty alloy bevel gear head with spindle lock for fast loading/unloading of discs.
- Comfortable to use - vibration reducing double injection composite body with rubber coating for added comfort.
- Controlled use - two stage paddle handle and side handle allow for a natural working position of grip.
- Safety - built-in led powered indicator light and adjustable wheel guard.
