Specifications

Echo SRM-2621TES/U Brushcutter

A lighter weight, professional petrol U handle brushcutter with high torque.

The ECHO SRM-2621TES/U is an exceptionally powerful U handle brushcutter.

With Easy Start for effortless starting, a heavy duty air filter to keep the engine free from dust and debris and a high torque.

When dealing with tall grass and thick brush, the high torque gear case provides consistent power and ensures precise cutting is maintained throughout the job.

At just 5.7kg with a 25.4cm³ professional grade engine it has the power and maneuverability to take on an incredibly versatile range of tasks.

U handles are ideal for large scale professional jobs as they take the weight off the operator whilst providing a consistent range of movement.

The SRM-2621TES/U has been specifically designed for large scale commercial jobs.

From the easy starting engine to the heavy duty air filter, every aspect has been carefully crafted to increase your comfort and productivity.

By controlling the RPM the high torque gear case ensure smooth cutting whether it's short grass or tall, dense brush.

This means you can move freely through differing areas of density without problems.

This Garden Machinery product can be collected in-store or is only available for local delivery to the following local Postcodes HR, WR, SY & LD.

***Warranty Terms & Conditions.**

To maintain the 5 year warranty the mower must be serviced before the end of the first year of ownership and annually thereafter by an authorised Echo dealer.

Failure to keep the Mower serviced at these intervals will result in the warranty reverting to a standard warranty period.

(5 year warranty for domestic users only)
