

SS4 Backpack Sprayer

Part No: SS4

Price: £59.95 (exc VAT) | £71.94 (inc VAT)

Specifications

Sealey SS4 Backpack Sprayer 16 Litre

With only 2.85kg net weight without liquid load, this knapsack style sprayer is easy to carry around your garden working area.

Ideal for use on your smaller spot spraying jobs in garden or agricultural and horticultural working areas.

The 16 litre reservoir provides you with longer spraying operations before refilling is required.

Features;

- Designed for extensive use around the garden, greenhouse and vegetable plots.
- Suitable for use with most garden chemicals including pesticides, herbicides and solvent-free preservatives.

- Manufactured from heavy-duty polypropylene.
- Supplied with four interchangeable spray nozzles and lockable trigger designed for extended use.
- Features adjustable double padded shoulder straps and large filler cap with integral filter.
- Can be used left or right-handed by simply reversing the shoulder straps.
