Features:

- Manufactured from heavy-duty steel with a powder coated finish for added corrosion resistance.

- Features a unique 360° swivel base for easy rotation.
- Threaded locking arm allows the crane to be locked in place when not in use.
- Mounts easily onto any strong and stable surface including loading bays, 4x4s, flatbed trucks and trailers.
- Robust lifting ram enables a maximum capacity of 900kg when the lifting boom is retracted and 250kg when fully extended.
- Includes heavy-duty chain and hook.
- Hook features safety clip to help prevent load sling from slipping.
