

T046480000100 Silage Cover Tape 4648 Black 33m

Part No: T046480000100

Price: £10.33 (exc VAT) | £12.40 (inc VAT)

Specifications

T046480000100 Silage Cover Tape 4648 Black 33m

Brand TESA

Description

This single-sided tape is made of UV-stabilised PE foil.

It is coated with a pressure-sensitive natural rubber-based adhesive for fast and stable adhesion to various substrates.

The backing material consists of the same material as the usual silage film, with the same properties and has high weather resistance.

Features:

Very fast and stable adhesion

Good resistance to weather conditions

Robust

Width 75 mm

Material Polyethylene

Application Bonding, Sealing Protection

Colour Black

Length 33 m

Thickness 0.14 mm

Min. working temperature 0 °C

Max. working temperature 60 °C

Strength 20 N/cm

Adhesion layer material Natural rubber [NR]

Adhesive strength 1.5 N/cm

Maximum elongation 400 %

Designed for using Indoor & Outdoor

UV resistance Yes

Water resistance Yes
