

T3839 Teng 39 Piece 3/8" Socket Set

Part No: T3839

Price: £130.82 (exc VAT) | £156.98 (inc VAT)

Specifications

T3839 Teng 39 Piece 3/8" Socket Set

Teng Tools 39 piece 3/8" drive regular and deep 6 point metric socket set, 8 - 21mm, with 2 spark plug sockets. The set includes 5 accessories and a selection of 11 bits.

The set utilises the Teng Tools 3/8" drive steel reinforced fibre ratchet. This has been designed to create a 45 teeth (8 degree increment) handle with quick release and flip reverse for fast but accurate use all day. Exceeds all internationally recognised quality and torque specifications.

It is design protected and is lighter but just as strong as conventional ratchets. It is more comfortable in use due to the bi-material grip.

Teng Tools sockets are:

- manufactured from highest quality chrome vanadium steel
- individually marked for easy identification, 6 and 12 point, metric & AF, standard & deep
- conform to latest DIN and ISO standards
- supplied with socket clip for use with Teng Tools aluminium clip rail system
- sockets drive on the flat rather than on the corner so helping to reduce damage
- supported with a wide range of accessories, adaptors, extensions, T bars, ratchets etc
- big choice of bit sockets

Supplied in a heavy duty, well laid out Teng Tools plastic case with latch lock in plastic, retractable handle and metal pin hinges.

The underside of the case is fitted with rubber feet to prevent sliding and scratching.

The set comprises:

Accessories 3/8" drive:

FRP ratchet, universal joint, 3" wobble extension, 6" extension, coupler adaptor, $\frac{1}{2}$ "F: $\frac{3}{8}$ "M T-bar adaptor
