

TVH/20308361 Electrical Socket 6-Outlet Auxiliary PowerStrip™ Attachment

Part No: TVH/20308361

Price: £116.36 (exc VAT) | £139.63 (inc VAT)

Specifications

TVH/20308361 Electrical Socket 6-Outlet Auxiliary PowerStrip™ Attachment

6-Outlet Auxiliary PowerStrip™ Attachment

Standard Auxiliary power loom & sockets

Power-Up your Cab: The power strip provides six additional electrical outlets that give either permanent or ignition-key-controlled power.

It can be used for such items as computers, portable telephone chargers, implement monitor, implement supply, 12V and up to 30 Amp total current can be taken from these outlets.

Easy to use: This strip provides key-switched or live power that works simply by rotating the position of the plug 180 degrees

Additional Information: The power strip is not a surge suppressor.

Electrical equipment with program memory or capacity for data storage requires protection from the damage of electrical surges and spikes that could occur in systems without transient voltage protection

OEM: RE68495
