

TVH/25289975 Alternator Fixings and Bushing Parts Repair Pack

Part No: TVH/25289975

Price: £43.74 (exc VAT) | £52.49 (inc VAT)

Specifications

TVH/25289975 Alternator Fixings and Bushing Parts Repair Pack

Typically includes:

Internal Case Assembly Fasteners:

The long structural through-bolts (usually 3 or 4 narrow metric casing bolts) that sandwich the front aluminium drive end-shield frame and the rear slip-ring end-frame housing together.

Insulating Spacers & Bushes:

Specialized non-conductive plastic or nylon shoulder washers that insulate the high-amp electrical posts from grounding out against the metal outer casing shell.

Terminal Hardware:

The specific copper or brass washers, lock-washers, and backing hex nuts for the rear connection posts (like the B+ battery feed post and D+ indicator lamp stud). Rectifier/Diode Trio Mounting

Screws: Small, internal thread-locking screws explicitly used to clamp the heavy internal rectifier block (RE52025 Rectifier) securely to the rear casing structure to guarantee solid electrical ground.

OEM: RE52026
