CS85-C1AR Brown Retro Trim Mechanical Suspension Seat Fabric

Part No: US.203540

Price: £329.95 (exc VAT) | £395.94 (inc VAT)

Specifications

CS85-C1AR Mechanical Suspension Seat Fabric in Brown Retro Fabric Trim

****Please ensure you check the bolt mounting holes measurement on the dimensions image against your current seat's mounting holes before ordering.****

For those wishing to restore their Tractor Seating with a Brown or Beige Tractor Seat, United Seats has introduced the additional CS85-C1AR Seat Fabric in Brown Retro Fabric Trim.

This has been as the result of enquiries from those operating and restoring Tractors that had this colour of Trim Seat fitted.

It is ideal for older John Deere, David Brown, Case and other applications.

Plus, you can enjoy the benefits of modern materials to give you greater comfort than you probably had! The Seat Base Unit can also be fitted to Air Base Units too.

Standard features:

Mechanical suspension with weight adjustment from 50-125kg

Suspension travel 90mm - Height adjustment of 60mm in 3 stages

Slide rail travel 150mm - Seat width of 510mm

Mechanical lumbar support - Adjustable backrest

Extra available options:

Back rest extension - Seat belt

Contact switch - Heaters with 12v, 24v or 48v elements available - Turntable

Suitable for the following Tractor models:

Ford & Fordson

10 Series 2610, 2910, 3610, 3910, 4110, 4610, 5110, 5610, 6410, 6610, 6710, 6810, 7410, 7610, 7710, 7810, 7910, 8210
