

VFJ5011 Hydraulic Hose Handle 1/2" BSP

Part No: VFJ5011

Price: £14.89 (exc VAT) | £17.87 (inc VAT)

Specifications

VFJ5011 Hydraulic Hose Handle 1/2" BSP - Out/Return Flow

Red hydraulic hose grip handle supplied with red cable tie (200mm length x 4.8mm width) that can be used to identify corresponding coupler.

Grip handle displays flow direction out of machine / pressure flow arrow.

Suitable for 1/4", 3/8" and 1/2" internal diameter hoses that use a 1/2" BSP thread male insert.

Grip handle allows easier, safer fitment, saving time and keeping hands clean.

Can be retrofitted to existing hose assemblies.
