

Single lever vacuum grease gun

Part No: VLB1080

Price: £8.93 (exc VAT) | £10.72 (inc VAT)

Specifications

Vapormatic VLB1080 Single lever vacuum grease gun

Replaced VLB1070

Single lever grease gun suitable for use with all Din 1284 and standard screw-top 400g cartridges

The spring-less 'ready-to-go' design uses a vacuum action for clean loading, safer operation and simple cartridge replacement.

The vacuum delivery system uses the full capacity of the cartridge and leaves the cartridge fully emptied.

Galvanised steel grease reservoir with ergonomically designed lever mechanism.

Supplied with cranked rigid and flexible extension pipe, 1/8 BSP 4 jaw coupler and 5 x follower seals.
