

VLB4335 Chain & Gear Aerosol 500ml

Part No: VLB4335

Price: £8.08 (exc VAT) | £9.70 (inc VAT)

Specifications

VLB4335 Chain & Gear Aerosol 500ml

Dry Lube Chain & Cable Aerosol

VLB4335 is a dry grease-based lubricant enhanced with PTFE with strong adhesive properties designed for application to chains and cables.

It applies wet enabling penetration into links before thickening and drying.

Primarily designed for use on industrial chains and cables but can be used on cycle chains and all moving metal parts.

Product features:

- High PTFE content for reduced drag and high lubricity
- Anti-corrosive additives for superior metal protection
- Highly water resistant
- Long lasting
- Penetrates and thickens

- Anti-fling formula

Size 500ml
