Part No: VLB4712

Price: £24.40 (exc VAT) | £29.28 (inc VAT)

Specifications

VLB4712 Red Hand Cleaner 5 Litre

Environmentally-friendly plastic micro-bead free, heavy-duty red hand cleaner.

Semi-gel based formulae designed to melt on the hand with natural body heat for better penetration, allowing rapid and effective removal of oil, grease, household paints, general dirt and grime.

Double-action silica grains enhance the cleaning action without scouring the skin. Manufactured from natural silica grains and organic soaps for zero environmental impact.

5L tub.

- Pleasant residual smell on hands after washing
- Neutral PH7 value ideal for daily because of its mildness
- Petroleum solvent and plastic MICRO-BEAD FREE
- Zero environmental impact
