*****Please check colour paint matching to your existing or desired replacement colour, before application of paint - paint colours represented on computer displays may display differently to actual products - also ensure compatibility of paint with thinners***

information / code before using / applying products.**

**RAL Equivalent Code numbers are given for guidance purposes only.

Customers should always as a matter of course check paint colour shades of tractor parts in hand, against RAL paint charts to ensure a correct paint match before ordering and applying paint products.

Whilst we have made every effort to ensure paint shades depicted are correct, colour shades displayed on computer monitors etc. may not necessarily reproduce as shown on the RAL, BS and other colour charts.

So we strongly recommend checking colour shades in person.**
