

VLC2271 13 pin plastic socket

Part No: VLC2271

Price: £8.43 (exc VAT) | £10.12 (inc VAT)

Specifications

VLC2271 13 pin plastic socket

12 volt 13 Pin plastic socket with gasket.

More recently found on European towbar electrics the 13 pin socket can combine black 12N lighting socket and grey 12S supplemental power sockets.

Benefits include waterproof when connected, connections are electro-plated helping corrosion resistance, coupled by a positive twist lock and each pin can carry up to 25 amps.
