Specifications

VLC5811 Midland CB Radio M-Mini Set

VLC5811 from Midland is your answer if you are after a CB radio that's easy to install.

Comes with 40 channels, and can be powered by the cigarette lighter outlet using the power cable included.

On the front there is a USB socket so that you can recharge all your devices: smartphones, tablets etc, and a removable microphone.

The aluminium chassis adds to the finishing touch, making it robust and resistant to any movement.

Included in the box.

- M-Mini USB CB unit.
- Microphone comes with up/down keys.
- Power lead with cigarette lighter plug.
- Mounting bracket comes with screws.
