Specifications

VLC5818 Antenna Magnetic Mount

The magnetic base is the smart and quick solution to install your antenna on your vehicle.

- The base is equipped with scratch resistant magnet-covering cap and PL mount (already installed)
- The magnetic base is compatible with VLC5819 ML 143 antenna, also available from Vapormatic
- It is also compatible with the following Midland products, ML 145, LUX 700-PL and LUX 1500-PL, not currently in the Vapormatic range.
