

VLC6093 Work Lamp HID 12v 55W Square

Part No: VLC6093

Price: £35.09 (exc VAT) | £42.11 (inc VAT)

Specifications

Vapormatic VLC6093 Work Lamp HID 12v 55W Square

This square HID lamp is the most powerful flood pattern HID lamp in the range, powered using 1x55W H3 bulb, producing 3200 – 4000lm of light.

The flood beam pattern is ideal for illuminating wide and short areas, often used in pairs on the rear of tractor cabs to give good medium range visibility.

Measurements: • Width: 145mm • Height: 145mm • Depth: 155mm Specifications: • HIF Xenon 55W H3 bulb • HID Colour Temp 4300K (White as sunlight) • Luminous 3200 – 4000lm • 2000 hour long life span • Operating Temp: -40°F ~ +221°F • 12V & 24V Compatible • Weight: 1000g
