

VLC6142 LED Beacon Flexi-Pole Mounted 12/24v

Part No: VLC6142

Price: £41.09 (exc VAT) | £49.31 (inc VAT)

Specifications

VLC6142 Vapormatic VLC6142 LED Compact Beacon Flexi-Pole Mounted 12/24v

ECE R10 approved LED warning beacon with 40 long-life high intensity LED's. Compact, low profile 'boule' design with short flexi DIN pole mount.

Manufactured with a tough, durable plastic body and an impact-resistant polycarbonate lens. 3 selectable flash patterns; 360° rotating, low speed strobe and high speed strobe.

Very low current draw means low power consumption for a longer working life and better use of available, stored vehicle battery energy. E-marked.

Measurements: Width 127mm; Height 174mm. 12/24V operation.

40x high intensity LED's

Very low power consumption

Modern low profile design

Reverse polarity protection

IP66 rated – dust & water protection

Operating temperature -30°C + 50°C

Can be used on either 12V or 24V vehicles
