

VLC6144 LED Beacon, pole mount - green 12/24v

Part No: VLC6144

Price: £47.87 (exc VAT) | £57.44 (inc VAT)

Specifications

Vapormatic VLC6144 Green LED Pole Mounted Beacon 12/24v

ECE R10 approved LED warning beacon with 60 long-life high intensity LED's. Standard profile with long flexi DIN pole mount. Green coloured lens.

Manufactured with a tough, durable plastic body and an impact-resistant polycarbonate lens. 3 selectable flash patterns; 360° rotating, low speed strobe and high speed strobe.

Very low current draw means low power consumption for a longer working life and better use of available, stored vehicle battery energy. E-marked.

For off road application including construction equipment where there is no enclosed vehicle cab. Used in conjunction with seat-belt monitoring kits.

Measurements: Width 130mm; Height 240mm.

12-24V operation.

60x high intensity LED

Very low power consumption

Reverse polarity protection

IP66 rated – dust & water protection

Operating temperature -30°C + 50°C

Can be used on either 12V or 24V vehicles
