

LED Light Bar Straight 10800LM

Part No: VLC6147

Price: £70.25 (exc VAT) | £84.30 (inc VAT)

Specifications

Vapormatic VLC6147 LED Light Bar Straight 10800LM

Off-road 24" (615mm) straight LED light bar ideal for installation on a wide range of ATV's, pick-ups, agricultural and industrial vehicles.

60° flood light beam gives greater distance to your night vision and excellent illumination in and around the forward path of the vehicle.

Dual-row design with 40 powerful LED's delivers an impressive 10,800 lumens (raw) of cool 6000K white light.

Very low current draw means low power consumption for a longer working life and better use of available, stored vehicle battery energy.

IP67 approved – dust tight and protected from water immersion up to 1m for 30mins. 12-24V operation.

12-24V operation. ECE R10 approved.

Measurements: • Width: 623mm • Height: 115mm • Depth: 83mm

Specifications: Flood illumination pattern (60 degrees)

- 10800 Lumens (raw)
- Colour temperature 6000K
- 40 x 3W LED Bulbs
- Voltage 10-30V

Features: • Adjustable “L-shaped” mounting brackets

- Body Material: Die cast aluminium with integral LED-cooling heat sink
- Lens material: Impact-resistant polycarbonate

Working temp: -30°C ~ +50°C

- Pre-wired with 2 core cable (400mm length)
- Available for use with all makes of ATV, off-road, agricultural and industrial vehicles.
