

VLC6154 LED Boule Beacon 1 Bolt Mount

Part No: VLC6154

Price: £28.05 (exc VAT) | £33.66 (inc VAT)

Specifications

VLC6154 LED Boule Beacon 1 Bolt Mount

ECE Reg 65 highways maintenance approved LED warning beacon.

Single stainless steel hollow bolt mount fitting to conceal wiring for a clean installation. Low profile 'boule' styling – just 130mm high!

Manufactured with a tough plastic base and an impact-resistant polycarbonate lens.

2 selectable flash patterns - 360° rotational flash and strobe.

Very low current draw means low power consumption for a longer working life and better use of available, stored vehicle battery energy.

E-marked. 10-30V.

- Measurements: Width 127mm; Height 130mm.
- High intensity 8 x LED module
- Very low power consumption
- Modern low-profile design

- Reverse polarity protection
- IP66 rated – dust & water protection
- Operating temperature -30°C + 50°C
- Can be used on either 12V or 24V vehicles
