

VLC6157 LED light bar Straight

Part No: VLC6157

Price: £96.29 (exc VAT) | £115.55 (inc VAT)

Specifications

VLC6157 LED light bar Straight

20" (502mm) LED Light bar suitable for "up-front and center" mounting on ATV and off-road vehicle brush guards.

Adjustable brackets allow sleek fitment onto the brush guard for a clean uncluttered look and eliminate the need for other types of auxiliary vehicle lighting.

****Please note UTV/Utility Vehicle Cab frames and Roll Cages should not be drilled to mount lights and optional accessories****

Dual-row LED design with 42 CREE LED's delivers 6,692 lumens (raw) of 6000K cool white light in the forward driving path.

Powerful combo spot/flood light beam simultaneous provides long distance terrain and close quarters field illumination.

Very low current draw means low power consumption for a longer working life and better use of available, stored vehicle battery energy.

IP67 approved – dust tight and protected from water immersion up to 1m for 30mins.

10-32V operation.

ECE R10 approved.
