Specifications

VLC6228 Head Torch 115 Lumens

Designed for close quarter work, the flat design allows users to get closer in, without any of the knocking or bumping you get with a protruding headtorch.

The 115 lumens output is bright enough for clear illumination of a wide area.

A red LED on the back is perfect for being seen when working at night or in poor light.

Ideal for a Do it yourself (DIY) project too.

- 4.5 hours operating time in 115 Lumen & 5.5 hours in 50 lumens.
- Flexible and adjustable head strap for comfortable wear
- Rear red LED light for extra safety when working at night
- Rechargeable in 1.5 hours, Battery Capacity 1000mAh
