

## Tyre sealant - 1 ltr

**Part No:** VLD5731

**Price:** £27.45 (exc VAT) | £32.94 (inc VAT)

### Specifications

The ultimate puncture prevention. Rapid-seal is an exceptional product which prevents punctures.

This excellent product will not separate and will provide protection for the legal life of the tyre.

It is water soluble and therefore can be simply washed out with a hose.

In short this product enables you to fit the tyre and forget about it until it is worn out!

The solution also contains a corrosion inhibitor which protects the wheels rim.
