

VPA3920 - Cylinder head bolt kit 236 - 248

Part No: VPA3920

Price: £66.70 (exc VAT) | £80.04 (inc VAT)

Specifications

VPA3920 - Cylinder head bolt kit 236 - 248 Later engine

Use with VPB8029 and VPB8030 short motors; this kit is used on later 236 family engines.

The bolts are longer for blocks where the cylinder head bolt threads are recessed in the block.

See alternative picture for details of the recessed threads in the block.
