

VPH7422 - Piston Seal Power Quad part

Part No: VPH7422

Price: £16.21 (exc VAT) | £19.45 (inc VAT)

Specifications

VPH7422 - Piston Seal Power Quad part

OEM: RE63059, R120839, R120844

Piston and Rod Rubber Seal designed to provide a tight seal for hydraulic systems, preventing leaks and ensuring efficient operation.

Features a shaft diameter of 135.68 mm (5.34 in) and a seal outer diameter of 147.94 mm (5.82 in) for robust sealing performance.

Width of 2.28 mm (0.09 in) and PLAIN seal type for versatile applications in various Hydraulic Systems.

Ring 14.732cm x 0.254cm Thickness

OEM: R120839, R120840, R120844
