

VPN4332 Brake Shoe Kit 50mm X 200mm (8")

Part No: VPN4332

Price: £60.28 (exc VAT) | £72.34 (inc VAT)

Specifications

Al-Ko type brake shoe kit 200mm x 50mm diameter.

Type approved kit contains four brake shoes and all springs required.

Trailers with Alko brakes would be fitted with a 73mm black plastic hub cap and the majority would have four, five or seven leaf suspension springs.

It is recommended that brake shoe kits should be fitted in axle sets.
