Specifications

WA7105 OKO Off-road Tyre Sealant 1250ml

Concentrated tyre sealant is an advanced product which once injected into the tubed or tubeless tyre, seals punctures as they occur, thus eliminating tyre deflation.

Is a preventative tyre sealant that prevents flat tyres. It will seal holes in the contact tread area caused by puncturing objects with a diameter of up to 7mm in off road situations.

Will effect a permanent seal instantaneously without loss of air.

Suitable for all heavy vehicles, tractors & agricultural vehicles, trailers, atv's, wheelbarrows, ride on lawnmowers etc
