Specifications

XMS24FOCUS Lighthouse 500 Lumens Elite Focus Torch

The XMS 500 Lumens Elite Focus Torch, by Lighthouse, is another best seller.

This Lighthouse torch is made with three operating modes of High, Low and Strobe.

While the focus control allows the light to be adjusted from a tight spot beam to a flood light to suit the job in hand.

The anodised aluminium body is lightweight and durable, as well as having an IP54 rating for water and dust ingress, making this superb torch suitable for all weather conditions.

Specifications:

Output: 60/170, 180/500 lumens.

Max. Beam Distance: 170m.

Power: 3 x AAA alkaline batteries (supplied).

Run Time (High/Low): 1.5/8 hours.
