Specifications

XMS24GRINDER Bosch 115mm (4.5in) Angle Grinder + Free Diamond Disc

The XMS GWS 7-115 Mini Grinder, put together by makers' Bosch, combines high power with comfortable handling

Includes the added bonus of a free Diamond Disc.

It has a reliable 720 Watt/230 volt motor for a longer service life and easy carbon brush change system for easier serviceability.

It also features auto cut-off carbon brush for maximum protection of motor.

The 56mm diameter slim round housing provides super grip comfort. Armoured coils to protect the motor against sharp grinding dust for longer service life.

Double sealed ball bearings for longer service life.

The small gear head for easier reach of narrow areas, complete with specially designed helical gear for smooth running.

Bullet-proof guard to provide maximum safety to users even if disc breaks.

Two-motion side switch for increased safety and air inlets for optimal air flow and cooling.

This excellent XMS price offer comes with a free Diamond Disc.
