Specifications

XMS24HAMMER Stanley 567g (20oz) Hi-Vis Claw Hammer

The New XMS Hi-Vis 20oz Claw Hammer, made by STANLEY®, features improved strength and durability, add this to the XMS Real Deal price and this purchase is a no brainer!

This STANLEY® Fiberglass core hammer features improved strength & durability whilst providing reduced vibration.

Its durability comes from the forged High-Carbon Steel Head.

They have sensibly reinforced the connection between head and handle by 2-component epoxy adhesive and given optimal balancing for improved momentum and fatigue prevention.

Bi-Material Ergonomic grip features a ribbed surface and flared end to provide comfort, a firm grip and reduced slippage

While the high-visibility green hammer is surely more easy to find in a packed toolbox or work area.
