Specifications

XMS24SOCKS Scan Work Socks Twin Pack

These XMS Work Socks Twin Pack, by Scan, have a reinforced heel and toe with an ergonomic shape for optimum fit.

And what is worse than feeling your socks are creased and uncomfortable inside your boots, the non-slip bridge helps to keep the socks in position for added comfort.

Supplied as a twin pack, 2 pairs included.

Material: 80% cotton, 17% polyamide, 3% elastane.
