Specifications

XMS24VIPER11 Scan Viper Safety Boots

The XMS Viper SBP-rated Safety Boots, Size 10 by Scan.

They have a full grain leather upper, 200-joule steel toecap and penetration resistant steel midsole.

Fitted with a dual-density PU outsole, this cushioned sole ensures high levels of comfort.

There is also an energy-absorbing heel maintaining comfort over long periods of work.

The fuel and oil-resistant, SRC-rated slip-resistant sole increases wear safety, making these boots ideal for tradesmen.

Conforms to EN ISO 20345.

Safety Rating: SBP.

Slip Rating: SRC.

1 x Pair of XMS Scan Viper Safety Boots (Size 11).
