**Price:** £91.66 (exc VAT) | £109.99 (inc VAT)

### Specifications

XMS24WDVAC Dewalt 15L Wet & Dry Toolbox Vacuum

The XMS Wet & Dry Toolbox Vacuum 15Ltr - 240V is just what you want, in size, power and DeWalt's compact toolbox-style design.

Quality brand at a great XMS price.

The powerful 1100W suction motor allied to its integrated tool storage and automatic ball-cock air shutoff make this a great Dewalt vacuum with excellent portability.

Look at just some of its advantages, an on-board accessory storage bin to make all accessories within easy reach.

Quick-connect locking hose system for easy but secure connection, flip-up handle for easy carrying and storage too.

The list goes on, safety-wise it has a large water-resistant on/off switch for quick and safe access, hose storage and Power cord wrap.

Last but not least, the blower port instantly converts the vacuum into a powerful blower.
