## **Specifications**

XMS25BLADES Stanley Fatmax 100 FatMax Knife Blades 100 Blades pack.

The 100 XMS Utility Blades, in a smart dispenser, produced by STANLEY® FatMax® are their first ever Induction Hardened Blade.

The FatMax® Utility Blades are 20% stronger, 75% sharper and offer twice more life than a traditional Stanley blade,

Being the first ever induction hardened blade, they come with a new blade geometry which provides more blade edge.

They are resistant up to 35kg.

Simply so stronger, so sharper and longer lasting!
