Specifications

XMS25BOLSTER Roughneck Bolster Chisel Set in Canvas Wallet

The New, Exclusive XMS 3 Piece Gorilla Bolster Set, from Roughneck®, has an interchangeable handle in a tool roll.

The patented non-slip grip securely locks onto the shaft, but it can be removed in seconds to improve access in tight areas or to aid flush cutting.

Manufactured from drop forged and heat-treated superior quality Chrome Vanadium steel to ensure outstanding toughness and long-life performance.

Protective slide-on Cap fits on the Chisel Shaft to protect hand from Hammer strikes when using the Chisel.
