Specifications

XMS25CHALK DeWALT Chalk Line & Blue Chalk

The XMS 30m (100ft) Chalk Line & Blue Chalk Set from DeWalt has many new features.

The new Line Lock holds line tight while snapping for superior tension.

The new TOUGHSERIES Bold Braided Line is perfect for construction pros and a high-visibility thick line.

6:1 Planetary Gear System prevents line jams for long lasting durability

It has a Back Assess Door for quick and easy string replacement.

It has a flush Handle Design for convenient storage and stays in place preventing the line from unwinding.

The New Tough Series chalk reel is built to last, and this feature allows the user to replace the line easily to continue to use the same reel for years to come!
