Part No: XMS25CLUB

Price: £24.99 (exc VAT) | £29.99 (inc VAT)

Specifications

XMS25CLUB Roughneck 1.1Kg (2 1/2lb) Gorilla V-Series Club Hammer

This handy XMS Gorilla V-Series Club 1.1kg Hammer from Roughneck® offers increased striking power and reduced vibration.

Manufactured from drop-forged, hardened and tempered steel.

The unique V-Shock twin-beam girder shaft acts as a damper, resulting in reduced shock and vibration transmission, and further controlled by an air-cushioned grip.

Reduced weight in the shaft transfers the centre of gravity towards the head, resulting in improved balance and reduced effort.

45° chamfered striking edges prevent chipping and damage to striking surfaces.

A lanyard hole in the base of the handle allows for safe and secure tethering when working at height.

The Gorilla V-Series Club Hammer 1.1kg (2.1/2 lb).
