**Price:** £14.99 (exc VAT) Save £1.67 (RRP £16.66) | £17.99 (inc VAT)

### Specifications

XMS25CR10M Faithfull 10m 10A Cable Reel (4 Sockets)

The XMS Cable Reel 240V 10m 10A, 4 Socket made by Faithfull is designed to fit comfortably in the hand.

This compact cassette reel not only ensures the cable is fully protected while in storage or transit.

It is also safe while in use, using a thermal overload protection system to prevent overheating damaging the cable.

The cable reel feature four shuttered plug sockets, a BS-approved plug and a back grip handle.

A rotating winding knob makes it easy to wind and to use.

Manufactured to Kitemark KM61209.
