Specifications

XMS25CR40M Faithfull 40m 13A Heavy Duty Cable Reel

The XMS Open Cable Reel 240V 40m 13A 1.25mm diameter cable HD has a sturdy steel frame construction.

The four outlet sockets allow you to run one or more power tools etc.

This Faithfull-made reel has a winding knob for easy and tangle free reel-in.

Fitted with a carry handle for easy movement around the worksite or home.

NOTE: all cable reels should be fully unwound before they are used to carry a full load, this will help the cable to keep cool and not overheat.
