XMS25IMPAC32 DeWALT 32 Piece FlexTorq Impact Bit Set

The Exclusive XMS Impact Screwdriver 32 Piece Bit Set, by DEWALT FLEXTORQ™.

Contains a selection of EXTREME® FlexTorq™ screwdriving bits engineered for longer life, surely an XMS deal not to be missed.

The built-in torsion zone has been designed to absorb and control high-impact forces, transferring them into the optimised geometry of the bit tip.

Reducing the load on the driver and fastener means secure fixing with longer life. The full-fit head eliminates wobble and screw head rounding.

Supplied in a TOUGH CASE+, this is part of a connectable case system that is TSTAK™ compatible.

Individual TOUGH CASES can be clipped together for easy transportation.

Contains:

5 x 25mm Phillips Bits: PH1, PH2(x3) and PH3.

2 x 25mm Phillips Drywall Bits: PR2(x2).
