### Specifications

XMS25JABSAW DeWALT Folding Jabsaw & Rasp

The XMS Folding Jabsaw & Rasp manufactured by DeWalt this 2-in-1 design conveniently allows for both drywall cutting and plane cutting with one tool.

Both the saw and the rasp fold into the handle for compact storage.

It has a stainless-steel rasp for material removal while the locking mechanism locks the blade in open and close positions.

Comfort is always at the forefront of their design, the ergonomic bi-material handle is made for extra comfort.

The 100mm (4in) blade has triple ground teeth for fast cutting, a handy tool to have to hand.
