

XMS25KEYSAFE Masterlock Large Key Box

Part No: XMS25KEYSAFE

Price: £29.16 (exc VAT) | £34.99 (inc VAT)

Specifications

XMS25KEYSAFE Masterlock Large Key Box

The XMS Large Select Access Key Box made by Master Lock with a solid construction and a resistant metal body for a better resistance to attacks.

Master Lock also increased storage capacity to secure storage up to 10 keys (key fobs, cards and large keys).

The integrated bin neatly secures items to prevent jamming when closing the door and comes with a 4-dial set-your-own combination with large dials easy to read, grip and turn.

Faster and easier access with a quick, one-step opening operation.

Durable weather resistant cover protects the Select Access from the elements.

The key box has a wall mount design for permanent installation - mounting kit is included.
