XMS25LEVEL2 Stanley Fatmax 600mm (2ft) & 1200mm (4ft) FatMax Level Set

This new & exclusive xms fatmax 2 piece level set, 600mm (2ft) & 1200mm (4ft) from Stanley, super accurate levels.

Milled primary edge - provides 0.5mm/m primary edge vial accuracy.

Secured vial technology - protects vial against drop damage for long lasting accuracy.

Magnified solid block plumb vials - larger plumb vial for better visibility.

Removable end caps - allows end user accuracy and precision due to easier 90° angle/corner access.

Continuous edge centre vial design - makes it easier to draw/scribe uninterrupted line and provides greater strength and durability.

Grip access and one-handed use - strategically placed finger grab rails and wrap around hand grips for easier one-handed use.
