Specifications

XMS25PROKNIF Stanley Retractable Pro Knife with 10 Blades

This New XMS Retractable Pro Knife with 10 Blades from STANLEY - is a must have Get Kitted Out for Christmas purchase.

The Pro Knife tool free blade change is incorporated into a slider for minimal downtime.

Linear design maximises blade contact with the workpiece while the knife has precision grip zones for accurate small cuts and longer, harder cuts.

Its rear handle flare reduces hand slippage with tough cuts.
